EAST WEST MODEL SCHOOL

Sub: <u>Important Revision Regarding Unit Tests and Project Evaluation for Classes IX and XI</u>

This is to inform all students and guardians of Classes IX and XI that the school administration has revised the academic assessment module for the current session.

Please note the following important updates:

There will be no Unit II examination for classes IX and XI.

The project work will be evaluated and marks of the same will be treated as Unit II marks.

The portion of the syllabus earmarked for Unit 2 will be treated as Block 2 syllabus.

All students and guardians are requested to take note of this modification.

Regular classes will continue as per the updated academic plan.

For any further queries, please feel free to contact the school office.
